THIS FIRST AMENDMENT TO AFFORDABLE HOUSING AGREEMENT (the "Amendment") is entered into this ____ day of _____, 2009 by and among the **CITY OF BURBANK**, a California municipal corporation (the "City"), the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer").

RECITALS

A. The City, the Agency and the Developer entered into an Affordable Housing Agreement dated November 20, 2008 (the "Agreement"), pursuant to which the City and Agency agreed to provide financial assistance in order that Developer may acquire and rehabilitate a 4-unit residential property located at 2406 N. Naomi Street, in the City of Burbank, which is more particularly described in the legal description attached hereto as Exhibit A (the "Property"). Developer agreed to acquire and rehabilitate the Property with such financial assistance, and to restrict occupancy to households of very low and extremely low income.

B. Developer subsequently acquired the Property and has completed the rehabilitation of the Property.

C. Developer now wishes to convert the use of one of the four income-restricted rental units for use as an activity center for the residents of the Property, as well as other persons and households who require transitional housing assistance. This change in the intended use of the Property requires the following amendments to the Agreement and other supporting documents:

1. The provisions concerning operation of housing must be amended to reduce the required number of housing units to three and to permit an activity center use in the fourth housing unit. This amendment requires corresponding changes in the Regulatory Agreement recorded against the Property.
2. The financial assistance provided by the City through the HOME Investment Partnership Act of the United States, 42 U.S.C. §12701, *et seq.*, must be reduced by \$170,000.00. This amendment also requires a change in the Developer's promissory note to the City.
3. The financial assistance provided by the Agency needs to be increased by \$170,000.00. This amendment also requires a change in the Developer's promissory note to the Agency.

D. The acquisition, rehabilitation and operation of the Property pursuant to the Agreement and this First Amendment are in the vital and best interest of the City and the health, safety and welfare of the residents of the City, and in accord with the public purposes and provisions of applicable state and local laws and requirements.

NOW, THEREFORE, the parties hereto agree as follows:

1. Section 101 of the Agreement, entitled Agency Loan, is hereby amended to read as follows:

"The Agency agrees to loan to the Developer and the Developer hereby agrees to borrow from the Agency the amount of Nine Hundred Thirty-Six Thousand, One Hundred Dollars (\$936,100.00) (the "Agency Loan"), subject to the terms and conditions set forth in this Agreement, the Loan Agreement, as amended, and the promissory notes attached hereto as Exhibit B, and amended deed of trust in substantially the form set forth as Exhibit C, and the "Regulatory Agreement," as amended, in substantially the form set forth in Exhibit D. The Agency Loan shall be disbursed to or on behalf of the Developer for the acquisition and rehabilitation of the Property, and other related expenses (escrow, title insurance, taxes, closing costs, permit fees, construction management fee, and a 22% contingency amount). The Agency Loan shall be disbursed to or on behalf of the Developer upon the satisfaction of the conditions set forth in Section 104 hereof. The Agency Loan shall be used for the following:

Acquisition	\$475,000
Rehabilitation	\$271,100
Developer Fee	\$190,000
Totals	\$936,100

"The Developer Fee approved herein can only be used to further Developer's mission and goals, and for no other purposes. The Developer Fee shall be disbursed, in Agency's discretion over five year period. Each January 1, the parties shall meet to assist Agency in its sole determination of the Developer Fee to be released, which release shall occur shortly thereafter. The obligation to pay this Developer Fee is subject to compliance with the conditions set forth in Section 104 hereof."

2. Section 102 of the Agreement, entitled City Loan, is hereby amended to read as follows:

"Subject to the receipt of HUD approval, the City agrees to loan to the Developer and the Developer hereby agrees to borrow from the City the amount of Five Hundred Ten Thousand Dollar (\$510,000.00) (the "City Loan"), subject to the terms and conditions set forth in this Agreement, and subject further to the terms and conditions set forth within the documents and instruments executed by the Developer in connection with this transaction, including the note and deed of trust attached hereto as Exhibit "B" and "C" and the "Regulatory Agreement," as amended, in substantially the form set forth in Exhibit D and subject to the Master Loan Agreement. No interest shall accrue on the City Note, the term of which shall be fifty-five years from the date the City Loan Promissory Note is executed (the "Note Term"). Developer shall have no obligation to repay the City Loan or City Loan Promissory Note, or make any installment payments thereon, unless and until Developer commits a material default of this Agreement, the City Loan Promissory Note, City Loan Deed of Trust, or Regulatory Agreement, and fails to cure said default within the time periods provided in those documents, if any. Upon the occurrence of any uncured material default by the Developer, the City Loan shall be immediately repaid to the City. At the end of the Note Term, provided Developer has not committed or caused the occurrence of a material default of this Agreement, the City Loan Promissory Note, Deed of Trust, or the Regulatory Agreement, the City Loan shall be forgiven in its entirety and the City shall, upon the request by Developer, execute and record a partial reconveyance deed removing the portion of the deed of trust attributable to the City Loan from title. The City Loan shall be disbursed to or on behalf of the Developer for (a) the remaining portion of the cost of the

acquisition of the Property and (b) the cost of the Rehabilitation of the Property. If there are any remaining proceeds of the City Loan after the completion of the Rehabilitation, such proceeds shall be paid to the Agency in repayment of a portion of the Agency Loan. The City Loan shall be disbursed to or on behalf of the Developer upon the satisfaction of the conditions set forth in Section 104 hereof. The City Loan shall be junior in priority to and subordinate to the Agency Loan.”

3. Section 103, entitled Rent Subsidy Fund, is hereby amended to read as follows:

“Rent Subsidy Fund. Pursuant to Section 33334.2 of the California Health and Safety Code, the Agency intends to establish a Rent Subsidy Fund to assist tenants of the Property with incomes below the threshold for Very Low Income Households that are in need of transitional housing and supportive services. It is envisioned that the Rent Subsidy Fund will be funded through a future appropriation of Fifty-Five Thousand Dollars (\$55,000.00) from Agency’s Housing Fund. The funds may be expended at a rate of Eleven Thousand Dollars (\$11,000.00) per year for a period of five (5) years commencing on the date a Notice of Completion is recorded for all work set forth in the rehabilitation Scope of Work attached hereto as Exhibit E. Subsidies shall be disbursed in the form of grants to tenants. The Agency Executive Director or its designee shall develop a program for administering the Rent Subsidy Fund.”

4. The first paragraph of Section 301 of the Agreement, entitled Affordable Units, is hereby amended to read as follows:

“The Developer agrees to make available, restrict occupancy to, and lease three (3) housing units within the Property to households with incomes that do not exceed the stricter of: i) the qualifying limits for very- low income households as established and amended from time to time by the United States Department of Housing and Urban Development (HUD) or ii) the limits defined under California Health and Safety Code Section 50105 for very-low income households and Section 50106 for extremely low income households, all at an Affordable Rent (all of the four units are hereafter the “Affordable Units”). If after the tenant’s initial occupancy of an Affordable Unit designated for very-low income households, the tenant’s income increases to greater than the qualifying limits for very low income households, the Monthly Rent charged by Developer may be increased to the maximum rent set forth in Section 302 hereof. The Developer shall comply with the terms set forth below and in the Regulatory Agreement which is attached hereto as Exhibit D and incorporated herein by reference. Notwithstanding the above, Developer agrees to use its best efforts to make available, restrict occupancy to, and lease two (2) of the three (3) Affordable Units to extremely low income households.”

5. Section 301.5, entitled Activity Center, is hereby incorporated into the Agreement to read as follows:

“301.5. Activity Center. Developer may convert one of the four (4) existing housing units for use as an activity center for the residents of the Property, as well as other persons and households who require housing assistance, subject to the following requirements:

- a. The activity center shall be operated as a fundamental component of the onsite housing units and the services provided in the activity center shall directly benefit the residents of the Property;

- b. Residents of the Property shall be given priority access to the facilities and services provided in the activity center;
- c. Access to the facilities and services provided in the activity center shall be granted in strict compliance with the non-discrimination covenants set forth in Section 311 of this Agreement.

"In the event Developer or its agent cease to operate the activity center, or fail to operate the activity center in accordance with the requirements of this Section 301.5, any other term or condition set forth in this Agreement, or any other permit, code or legal requirement, the activity center shall be converted back to use as an income-restricted housing unit within 180 days of either (i) the cessation of services in the center, or (ii) written notice by the Agency that Developer has failed to meet the minimum requirements for operation of the activity center. Thereafter, Developer shall have an obligation to lease all four (4) housing units on the Property in accordance with the requirements of Section 301 of this Agreement for the remainder of the Affordability Period set forth in Section 306.
